Memory Moment/Flashback

- A memory by a character that interrupts the story
- The memory usually takes several paragraphs to explain to the reader
- When the memory ends the story goes back to where it left off
- Why might this memory be important?
 - Theme
 - Conflict
 - Foreshadow

Mini-Lesson Musts

- Use your best handwriting to make your notes in this section
- Your notes should be identical to mine
- Don't talk when you finish writing, that way others can finish their notes
